Bulletin: #126

Topic: Student Housing Policy for May 5 through May 8

To: Student Work Supervisors

Date: April 23, 2021

Residence Life has asked us to remind supervisors that residence halls are closing at 6pm on May 5th for students not involved in commencement. For those who are involved in commencement, residence halls close at 1pm on May 8th, and for those graduating, residence halls close at 6pm on May 8th.

As a result, you should not plan on your non-graduating students being available for work during the May 6th through May 8th period unless they are:

1. A commuter
2. Involved in commencement, or
3. Critically needed during the period and have been submitted as a late-leave or regular summer, Block A worker.
